

ALADDIN

ALADDIN MULTIPLIER FOR 3D PRINTING IN HEALTHCARE

Hosted by the Health Innovation Hub Ireland

Join us on the **15th of September at 12 PM** in the **Large Lecture Hall in the CSI building, Galway University Hospital / NUI Galway** to learn about project **ALADDIN** and how 3D printing is being used in healthcare today.

Guest speakers include:

- **The Rapid Innovation Unit, Limerick**
- **The Design Innovation Lab at St James's Hospital**

This is an in-person and online event.

To get your ticket, **[click here.](#)**

Food and refreshments will be provided on the day.
