HIV Stigma in Healthcare Settings – Invitation to Roundtable Workshop

We would like to invite you to a roundtable workshop in Dublin at the offices of HIV Ireland, on **Saturday the 24th of September, at 12.30pm.**

The aim of the roundtable is to seek feedback on the findings of a study on HIV-related stigma in healthcare settings.

The workshop will also provide an opportunity for knowledge exchange and networking between people living with HIV, healthcare workers and other stakeholders interested in addressing stigma in healthcare settings in Ireland.

The event is expected to last two hours. Light refreshments will served on arrival.

Places are limited, so if you wish to attend this event, please email elena.vaughan@universityofgalway.ie to confirm attendance by no later than the 12th of September.

A small travel bursary is available for people living with HIV who are unemployed. If you wish to attend but will have difficulties meeting travel costs, you should contact Dr Erin Nugent by email: erin.nugent@hivireland.ie.

For more information email project lead Elena Vaughan: elena.vaughan@universityofgalway.ie
