

Application process for HSCP Scholarship MSc in Digital Health Transformation

The Health & Social Care Professions Office welcomes this innovation and are pleased to offer 100% funding scholarships to a total of 5 health & social care professional who meet the eligibility criteria for the year commencing January 2023. Applicants must meet the entry criteria as outlined in the MSc in Digital Health Transformation webpage.

The application process for the MSc in Digital Health Transformation is outlined in the steps below. Please ensure that your application is fully completed and submitted no later than close of business on **Monday 14th November 2022**.

➤ **Step 1**

Please complete the application process through the link **(this is really important as it is the university application)**: www.digitalhealthtransformation.ie

PLEASE NOTE: If you do not have a specific project we will help you to develop a project idea or link with identified service orientated projects. In the UL application form the field where you are asked to enter your project idea please enter the text **LINKING WITH RUTH KILCAWLEY** for my project.

➤ **Step 2**

Please complete the National Health & Social Care Professions Office MSc. in Digital Health Transformation Application form in conjunction with your line manager. This is your application form for the MSc scholarship funding and will be put forward for the purpose of selecting successful candidates.

➤ **Step 3**

Please submit completed HSCP Application to ruth.kilcawley@hse.ie by 5pm **Monday 14th November 2022**.

➤ **Step 4**

The completed application will be reviewed by an Applications Board and 5 candidates will be selected. Applicants may be required to undertake an interview. All applicants will be notified of the results on the week commencing the **21st November 2022**.
