

Podiatry Ireland

**LAUNCH EVENT
FRIDAY MARCH 1ST**

We are thrilled to announce the upcoming launch event of Podiatry Ireland, formerly known as The Society of Chiropodists and Podiatrists of Ireland (SCPI).

In 2022, SCPI partnered with Mantra, a leadership organisation, to craft a visionary 5-year strategy focused on elevating society and member services. The collaboration led to transformative changes, such as rebranding to Podiatry Ireland and development of a new website.

Your presence at this launch is invaluable to us, and we would be honoured to have you join us in celebrating this milestone as we showcase our new branding and website. We have also invited other industry leaders and governing bodies for an evening that promises to be full of networking opportunities.
